CLCS Athletic Mission Statement

CLCS Athletic Mission Statement

Clear Lake Christian School will provide competitive athletic opportunities for interscholastic athletic competition for Junior High and High School student / athletes. It is the goal of CLCS to produce winning programs in all areas of athletics offered at CLCS through dedication and hard work.

CLCS will participate in athletic competition to honor and glorify God, using the abilities, skills and inner strengths HE has given each of us.

We want to live and grow in the service of God and man. We place a high priority on growing in mind and body through our experiences and activities in Athletics.

Academic excellence is the first expectation of all Clear Lake Christian School athletes regardless of the level of competition. All athletes must maintain good academic standing to be allowed to compete and represent CLCS on the field or court of competition. TCAL rules will govern CLCS eligibility ... no failure and an overall average of 74 in each class (this includes dual credit classes).

CLCS will strive for victory in all that we do, first as servants of Jesus Christ, secondly, in the classroom, and thirdly on the field or court of competition. We shall accept defeat with grace and dignity; we will embrace victory with excitement and humility. We will respect all of our opponents but fear none of them. We will treat our competitors as brothers and sisters in Christ.

Our Athletic program is a TEAM ... all athletes and all sports offered at CLCS will receive the opportunity to excel. However, NO one individual is indispensable and no one sport is bigger than the WHOLE ... the Total Athletic Program. We work as a TEAM in all competition and also in cooperation to build Christian character, academic excellence, excellence in our school, our community and to achieve athletic success.
