Since 1993, we have focused on teaching students the principles of Christian leadership, self-discipline, responsibility, integrity and good citizenship. Your child's time at CLCS will be one of both spiritual and academic growth.

The CLCS administration has developed this handbook for parents and students. Please take the time to thoroughly review this handbook. During the school year, the administration reserves the right to modify and/or add new rules. Parents will be informed in writing of any changes to the handbook. If after reading the handbook you have any questions, please do not hesitate to contact the school office.

## **STATEMENT OF FAITH**

- **divine healing.**
- **infilling of the Holy Spirit.**
- **return of Jesus Christ.**
- **fellowshipping with all denominations of the Christian faith.**

## **MISSION STATEMENT**

**Our mission is to develop Christian individuals who are responsible, productive members of our society by providing quality academic, social, spiritual and physical fitness opportunities and by teaching, guiding, training and inspiring today's youth in the active pursuit of wisdom.**

## **PHILOSOPHY OF CLEAR LAKE CHRISTIAN SCHOOL**

The educational philosophy of Clear Lake Christian School is that God lovingly planned all of creation with an eternal purpose. God is the center of life. He has revealed Himself through His written Word, His Living Word and His creation. He is the author of all things and desires to be intimately involved with His creation.

God created man in His image, unique and valuable. However, because of one man's sin, all of mankind is separated from fellowship with God. Only through the sacrificial death and resurrection of His Son, Jesus Christ, is the restoration of intimacy with God made available. The Holy Spirit works to convict man of his sin and reveals to man his need to receive salvation by grace through faith in Jesus Christ. The Holy Spirit then guides, teaches and comforts the redeemed man through His indwelling.

The lifelong process of education is the progressive realization of each person's unique God-given physical, social, spiritual and mental potential. Through godly teachers, led by the Holy Spirit,

Biblical truths become the framework for all knowledge. By learning to filter all knowledge and experience through the Word of God, the student becomes able to determine God's truth and develop wisdom. The student is led to discover God's presence in all aspects of life and to realize a personal role in God's plan. The student then is equipped to be used by the Holy Spirit to effect positive change in the world.

God has commanded parents to teach their children to love God and honor Him in all they do. The Christian school becomes a partner with the parents in accomplishing this goal.

**CLCS ACCREDITATION, MEMBERSHIPS**

---

Clear Lake Christian School holds memberships the Association of Christian Schools International (ACSI), International Christian Accrediting Association (ICAA), AdvancED Worldwide, T-CAL and NCAA.

### **ACSI**

The Association of Christian Schools International was founded in 1978, the outgrowth of a merger of three associations: The National Christian School Education Association (NCSEA), The Ohio Association of Christian Schools (OACS) and the Western Association of Christian Schools (WACS). Today, ACSI's membership includes more than 5,000 schools from approximately 100 countries with an enrollment of more than one million students.

Schools that apply for ACSI accreditation must commit to self-study and analysis; a comparison to established standards; an assessment of the school mission; a commitment to quality education; and a willingness to be accountable. The ACSI accreditation program was one of the first programs to be officially recognized by the National Council for Private School Accreditation (NCPA). ***CLCS Christian School is a member in good standing of ACSI.***

### **ICAA**

The International Christian Accrediting Association first awarded accreditation in 1987. ICAA was developed in a pilot program via the Oral Roberts University Educational Fellowship. As of August 2016, more than 100 elementary/secondary schools were involved at some stage of the ICAA accreditation process.

The purpose of ICAA is to assist in continual improvement for Christian schools that exhibit credibility of performance, integrity and quality. ICAA is both evaluative and educative. In the evaluation process, the Association has established standards and criteria by which it reviews its members and determines their advancement to different status levels of accreditation. In the educative process, ICAA provides materials, workshops, seminars and access to Christian professional educators to assist each school develop quality Christian educational programs.

***CLCS earned ICAA, Advance ED accreditation in 2000, and re-accreditation in 2005, 2010, and 2015.***

**Advance ED** is the unified organization of the North Central Association Commission on Accreditation and School Improvement and the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS CASI). Advance ED is dedicated to advancing excellence in education worldwide through accreditation, research, and professional services. Advance ED creates the world's largest education community, representing 27,000 public and private schools and districts across the United States and in 65 countries worldwide, educating 15 million students. NCA CASI and SACS CASI schools share a unified, clear and powerful accreditation process designed to help schools continuously improve.

***CLCS is a member of Advance ED.***

### **ATHLETIC Organizations-T-CAL, NCAA (see Athletic Handbook)**

T-CAL's goal is to organize, encourage and promote academic, athletic and fine arts programs in an effort to foster a spirit of fair play, good fellowship, true sportsmanship and wholesome competition. T-CAL has many member schools and hosts academic, cultural and athletic competitions throughout the state. NCAA's goal is for the student athlete to have success on the field, in the classroom and in life. CLCS is unified with these organizations for the benefit of our students striving for excellence in all facets of student life.

International Program- International students must refer to the International Handbook, the CLCS Family Handbook, and the Host Family Handbook for standards applicable to all International students.

## **ACADEMIC POLICY**

### **ACADEMIC PHILOSOPHY**

Clear Lake Christian School's philosophy is that a quality education requires two fundamental criteria: (1) curriculum that integrates God's truth into all courses, adequately challenging and preparing the student for future educational endeavors and (2) dedicated teachers who are Christian in belief and action. In order to take full advantage of the educational program, every student is expected to use all available school and home resources with the goal of performing at the highest level possible. Diligence in academic work will provide the proper foundation on which God can fashion His plan for a young person's life.

### **PROMOTION AND RETENTION**

Promotion is earned at CLCS and will be based on the satisfactory completion of the requirements for each grade level. For grades one (1) through eight (8), the yearly average will be used to determine promotion to the next grade level. The final yearly average will be determined by averaging together the four (4) quarterly grades. For grades nine (9) through twelve (12), credit for high school courses will be awarded on a semester basis. Semester averages are computed by averaging together the two (2) quarterly grades for that semester. Each semester will be evaluated independently. Failure of any semester of a high school course requires the student to make up the credit.

Repeating a grade by any student in grades one (1) through eight (8) will be required when a student fails the core courses of **language arts and math** unless the student successfully completes a summer school program for those courses. Students who fail **language arts or math** will be required to successfully complete a summer school program in that subject. Students who fail **science and/or history and have a yearly average less than 75 in language arts and/or math** will be required to successfully complete a summer school program.

Due to the social consequences associated with retention, CLCS generally will only recommend retention in the lower elementary grades. If a student is found to be struggling during the course of a school year, a series of conferences will be held with the parents to attempt to develop a remediation plan to correct the challenges facing the student. When the parent's and the school's best efforts have not achieved the desired outcome, a thorough discussion will be conducted with the parents and a recommendation for retention may be made.

## GRADING SYSTEM

Grades are the primary means of reporting academic performance to students and parents. They represent the objective assessment of learning and identify both accomplishments and areas that need further work.

Reporting of grades to parents and students follows both a formal and informal format. Tests are graded in a timely fashion and discussed with the class or with an individual student as necessary. Elementary students are required to take their work home for review by parents. Secondary students have the responsibility of communicating test results to their parents. Parents of secondary students are encouraged to regularly discuss academic progress with their children. The RENWEB system is used at CLCS. Formal communication of academic and behavioral progress takes the form of Progress Reports and Report Cards. These grade reports are to be signed and returned to the school within two (2) school days after distribution. Parents are encouraged to discuss the grade reports with their child and seek further communication from the teacher, if necessary.

**Progress Reports** will be sent home with the students on the Friday following the completion of the midpoint of each quarter of the school year. These reports are designed to communicate academic progress so that if necessary, a timely intervention may result in improvement before Report Card grades are issued.

**Report Cards** will be sent home with the students on the Friday following the end of each quarter. The Report Cards for the 2<sup>nd</sup> quarter will be sent home the first Friday in January. Report Card grades reflect quarter and/or semester averages for each subject.

Numeric grade averages or symbols will be given for each academic and behavioral area.

**HOMEWORK**

Clear Lake Christian School recognizes the educational value and importance of homework for students. Meaningful home study is a necessary part of each pupil's educational program and should be related to the CLCS educational philosophy and goals. Homework is intended to be a purposeful extension of the school day that contributes to the student's education through the development of personal responsibility and the establishment of good study habits.

Teachers will assign homework as necessary, considering the grade and ability level of the students and the difficulty of the subject matter. All assignments are due on the assigned date.

Every effort will be made to limit assignments with regard to time requirements and eliminate assignments on Wednesdays in order to encourage students to attend mid-week church services and activities. Teachers will determine penalties for late work.

**MAKE-UP WORK**

Students will be responsible for making up any assignments, tests or quizzes missed due to absences, tardies or early dismissals. Generally, students have one calendar day for each day absent to complete make-up assignments. Teachers will consider extenuating circumstances and make the necessary allowances for the make-up work to be completed.

When a student is absent, the parent should make arrangements to pick up assignments. The school office must be contacted by 10:30 a.m. in order for all the materials to be available in the main office by 3:30 p.m.

**COURSE OFFERINGS**

Since its inception, Clear Lake Christian School has developed a curriculum specifically for our school that leads to continuing academic and spiritual growth. CLCS has drawn from several teaching methods to create our school's program of study:

**A Beka Book:** Developed more than 40 years ago, A Beka is designed to teach children skills in all academic areas as well as Bible study. A Beka focuses on the development of abilities that create a foundation for lifelong learning. Depending upon the grade level, A Beka educational tracks include Bible, language arts, science, math, social studies, history and geography and health, safety and manners.

**Bob Jones:** Bob Jones is a competitive curriculum resource that combines critical thinking, common core standards and Biblical World views. Bob Jones educational tracks include grades K-12 with an emphasis on secondary Math, History, Science and Foreign Language. This curriculum combines traditional methods with current methods for an effective comprehension program for academic success and measures performance through scheduled testing and reinforcement checkups.

**Shurley English:** An interactive approach of teaching English, this 20-year-old program uses repetition and a “see it, hear it, say it, do it” style that lets students utilize their visual, auditory and kinesthetic skills. During each lesson, students practice familiar skills while being introduced to new ones. Shurley English teaches how each word in a sentence fits together so students have a clear understanding of how to write complete sentences.

**ACSI Purposeful Design:** A comprehensive detailed curriculum with up to date findings and current competitive resources designed for the academically advanced student with workbooks and tests. This curriculum is biblically integrated for Science and Spelling and offers a challenging Bible curriculum at every grade level.

**Other resources** may be used to ensure academic and spiritual growth.

#### **GRADE POINT AVERAGE AND CLASS RANK**

Grade points are earned for courses taken in grades nine (9) through twelve (12). These points are used to determine the grade point average (GPA), which is the basis for determining class rank. Grade points are awarded only for satisfactorily completed courses taken during the regular school term. Courses that are transferred from other schools do not earn grade points for the GPA or CLCS class rank. The RENWEB system is used for the grading system at CLCS.

For college application, class rank will be determined at the end of the junior year and reevaluated after the fall semester of the senior year. For graduation honors and posting on the official transcript, class rank will be determined at the end of the senior year.

The valedictorian and salutatorian of each graduating class will be determined by class rank. The valedictorian will be the student with the highest GPA and the salutatorian will be the student with the second highest GPA. In case of a tie, the numerical average will be used to determine the valedictorian. To be eligible for valedictorian or salutatorian consideration, a student must be a four-year graduate and enrolled at CLCS for the entire four years of high school.

The cumulative GPA for students in grades 9-12 is determined by the following:

	<u>Regular</u>	<u>Honors</u>
90-100	4.0	5.0
80-89	3.0	4.0
75-79	2.0	3.0
70-74	1.0	2.0
Below 70	0.0	0.0

#### **COURSE WORK ACCEPTED FOR HIGH SCHOOL CREDIT**

Clear Lake Christian School will award high school credit for courses earned at other schools prior to transfer into CLCS. **However, grades for courses not taken at CLCS will not be averaged into the student's grade point average or considered in class ranking.**

High school students who fail to pass a semester or more of a course will be required to make up the credit(s). If a course is repeated during the regular school year at CLCS, both courses will be recorded on the academic achievement record. **Course credits earned for make-up work by correspondence or in summer school will not be included in the GPA or class rank.**

Students have the following options for earning make-up credits:

1. Attend a summer school session at an accredited public or private high school. Grade reports bearing an official signature should be forwarded directly to Clear Lake Christian School by the summer school.
2. Enroll in and successfully complete a correspondence course offered by Texas Tech University or the University of Texas. Arrangements must be made with CLCS to approve the course selection and designate a testing proctor for tests.
3. Apply for credit by examination through Texas Tech University or the University of Texas. Grades for exams should be reported directly to CLCS. Arrangements must be made with CLCS to approve the course selection and designate a testing proctor for tests. Credit by exam is accepted for make-up credit only.

Transfer students who are unable to meet graduation requirements at Clear Lake Christian School due to scheduling conflicts will be allowed to secure credit through options one and two listed above. These options only may be exercised due to a scheduling conflict and may not be used to substitute for a course available at CLCS.

### **Dual Credit**

In association with San Jacinto College for grades 9-12, students may be eligible to attend college. Dual credit is a form of concurrent enrollment allowing a student to take certain courses at San Jacinto College that earns both college and high school credit. Typically students take two courses in the fall and two courses in the spring. Dual credit is available for any high school student who meets the requirement. For further information, please see the Dual Credit Handbook.

### **PACE**

Pace is a program that allows CLCS to individualize schedules and allow students to work at their own level of achievement in certain areas. Each subject has 12 workbooks per grade level.

The use of the PACE system is approved by the Principal and is determined by careful diagnosis of course needs or academic ability. Core teachers are responsible for content and grades. Credits are awarded by the registrar for Pace subjects when all booklets and tests are complete.

### **STUDENT TESTING PROGRAM**

**TERRA NOVA TEST /OTIS LENNON TEST OF COGNITIVE ABILITIES** – Grades K-11: These tests are administered to students each spring to measure competencies and achievement gains. Copies of score reports will be sent home with report cards at the end of the year.

**PSAT/NMSQT** – Grades 10-11: This test is administered in mid-October at CLCS. The PSAT/NMSQT measures verbal, mathematical reasoning and writing ability skills. Taking this test enables juniors to compete in the National Merit Scholarship Program, prepare for the SAT or ACT and seek information from colleges. This test is required for juniors and is offered as an option for interested freshman and sophomores.

**ACT** – Grades 12: It is recommended that the ACT be taken at the end of the junior year or in the fall semester of the senior year. Most colleges and universities require one of these tests for admission. Many schools utilize ACT scores in scholarship determinations. Students are encouraged to take challenging courses to properly prepare for these tests.

The **ACT** Assessment includes four curriculum-based tests that measure students' educational development in English, mathematics, reading and science reasoning.

## **GENERAL INFORMATION CLUBS AND ORGANIZATIONS**

All CLCS-sponsored organizations, athletic teams, performing groups, ministries, and clubs must be approved by the Principal. Clubs include Booster and Math. Bylaws and rules of conduct must be consistent with general school rules and must be approved by the Principal and Administrators.

### **CLCS BOOSTER CLUB**

The athletic Booster Club is established to provide support for the physical education and athletic programs. Parents of student athletes and other interested parents and students conduct fund-raisers and assist the athletic department in running the various athletic events.

### **DISTRIBUTION OF MATERIALS**

---

All aspects of school-sponsored newspapers and/or yearbooks are under the supervision of the Principal.. Written materials, handbills, photographs, pictures, petitions, films, tapes or other visual or auditory materials may not be sold, circulated or distributed at school by a student or a non-student without the prior approval from the Principal. All materials intended for distribution to students must be submitted to the main office for administrative review and approval. No signs, posters or pictures may be posted without prior approval. Signs are to be posted by school personnel only.

### **FIELD TRIPS**

Field trips can be an excellent supplement in the operation of a comprehensive educational program. Teachers and/or the school administration have the option to determine the academic, dress code and/or behavioral qualifications for student participation. All field trips must have written approval from the principal as well as written permission from a parent/guardian before a student can participate in a field trip.

Parents are encouraged to attend field trips whenever possible. It is understood that parents accompanying field trips are to work cooperatively under the teacher's supervision to assist in organizing and monitoring the students. Chaperones also must follow the dress code requirements for the field trip as directed by the teacher and/or school administration. Family friends and siblings or other relatives cannot be accommodated at regular school activities.

### **LOCKERS AND DESKS**

Lockers and desks remain under the jurisdiction of the school even when they are assigned to individual students. The school reserves the right to inspect and/or search all lockers and desks any time there is reasonable cause to do so whether or not the student is present. Locker assignment information is kept on file in the school office and must be accurate. Students are not to change lockers or enter another student's locker without permission from the school administration. The student has full responsibility for the security of the locker, making certain that the locker is locked and that the combination is not available to others. School-issued locks are to be used on lockers without lock mechanisms, unless written permission is given by a parent for a student not to use a lock. The school cannot be responsible for items missing or stolen from lockers and desks. Lockers and desks are to be kept neat, clean and free of writing, stickers and gum, both inside and out. Students are responsible for damage to lockers or desks caused by kicking locker doors, forcing locker doors open, tampering with the lock mechanism, writing or scratching on lockers or desks, etc. Students should report any problems with lockers to the school office.

### **LOST AND FOUND**

Students often misplace articles of clothing, books and other personal property. These items are turned in to the school office for the students to claim. All personal items should be labeled. Every possible effort will be made to return lost items to their owners. Periodically, lost and found items will be displayed in the cafeteria or gym for the students to claim. Unclaimed items may be donated to a charitable organization.

Students should not bring large sums of money or wear expensive jewelry to school. The school cannot assume any responsibility for personal property that is lost or stolen at school.

### **E-BLASTS**

An “E-BLAST” will be distributed to parents weekly. Please pay careful attention to the important school announcements that will be included in this e-mailing. This is our primary method of general school events and communication, so please make sure that the office has your current e-mail address. Additional “E-Blasts” may be initiated with important school information at additional times as deemed necessary by administration.

### **PARENT-TEACHER/ADMINISTRATOR CONFERENCES**

Parents who wish to set up a conference with a teacher and/or administrator may do so by contacting the school office. Teachers only can schedule conferences and return phone calls during their conference periods or before and after school. Parents who want to meet with all of their child’s teachers may request a conference before or after school. Parents should sign in at the school office when arriving for any conference. Visitors should not go directly to a teacher’s classroom. To avoid a lengthy wait, parents desiring a conference with an administrator are encouraged to contact the school in advance to schedule an appointment.

### **SCHOOL CHAPELS**

All regular weekly chapels are scheduled on Thursdays. As chapels are worship services, the students’ behavior must be reverent and respectful. The students are to bring a Bible to chapel, participate in singing, group recitations and other activities conducted during chapel. All students must attend chapel unless dismissed by the Principal/ Administration.

### **SCHOOL HOURS**

Clear Lake Christian School office hours are from 8:00 a.m. through 4:00 p.m. Classes are in session Monday through Friday from 8:15 a.m. to 3:30 p.m. Students remaining in the building after 4:00 will be supervised in a specific classroom and the parents will be charged a fee of \$3.00 per minute. Exceptions for emergencies will be approved by Administration.

Upon arrival at school, all students should immediately enter the building through the CLCS entrance. Please do not use the KidZ World entrance. Any specific special directions or changes for elementary dismissal will be distributed at the beginning of the school year.

Parents are asked not to bring their children to school before 7:30 a.m. and to pick them up promptly after dismissal time. All students are required to wait in the gym when arriving on campus before 8:15 a.m. After dismissal, students in kindergarten through fifth grade may be taken to Kidz World if previously registered with Kidz World. Older

---

students will wait in the reception area of the school office or gym. No student will be permitted to be unsupervised before or after school hours. The gym is closed after school except for school-sponsored events.

KidZ World has childcare for children in kindergarten through fifth grade. If parents are not able to pick up a child by 4:00 p.m., prior arrangements with the Kidz World office must be made. Kidz World teachers cannot accept drop-in children from CLCS without approval from the KidzWorld office or Director.

### **SCHOOL LUNCHES-BREAKFAST**

**BREAKFAST IS OFFERED FOR PURCHASE IN THE CAFETERIA EACH DAY.**

#### **LUNCHES**

Students may bring a lunch from home or purchase a hot lunch from our food service provider. A menu for cafeteria lunches will be available in the front office at the beginning of each month and posted on the school website semester. Secondary students may buy items from an a la carte menu when arriving in the cafeteria for lunch. Elementary students may buy limited items from the a la carte menu. All lunches must be ordered by 9:00 a.m. each morning to insure a lunch will be reserved. **No student may order food and have it delivered to CLCS without special permission from Administration.**

Students may not take food or drink out of the cafeteria unless specifically approved by school administration. No food or drink is allowed in the classrooms, hallways or gymnasium unless the Principal has given specific permission. **Chewing gum is not allowed during school hours.**

**International student's lunches are included in their tuition. Lunch cards are used as payment and interface with the parent's financial account.**

### **SCHOOL PARTIES**

Holiday class parties generally are limited to the elementary grades. Teachers will determine the guidelines and arrangements that best suit these events and will make this information available as needed. When planning birthday celebrations, please do not distribute invitations at school unless all children in the class are included. Any special arrangements for bringing refreshments for celebrations should be coordinated with the classroom teacher.

### **SCHOOL VISITATION**

All visitors should sign in at the main school office and receive a visitor's pass that must be worn in a visible manner at all times while in the school building. All visitors will require a driver license check through the security system. This insures the safety of our children.

Parents or guardians of students are welcome to observe their children's classes. Parents who are visiting for lunch and wish to place an order with the cafeteria may do so by calling the main office before 9:00 a.m.

We welcome all parents to take advantage of volunteer opportunities at the school. Programs are strengthened even more when parents lend their support and participation. In general, we must ask that younger siblings not accompany volunteers who are working in the classrooms or on field trips.

### **STUDENT BACKPACKS**

In order to allow for adequate safety precautions and floor space in the classrooms, Kindergarten through sixth grade students will need to hang their backpacks on the hooks provided in the classrooms for this purpose. **In order to fit well on the hooks or in the lockers, soft material backpacks should be used rather than "hard case."** Students should plan to use a pencil bag or similar item for taking their school supplies to class. Grades 7-12 will use lockers before class, at their designated lunch time, and after school.

### **SEVERE WEATHER INFORMATION**

Unexpected school closings due to hurricane warnings or inclement weather conditions will follow the decision of the Clear Creek Independent School District. Please listen to radio and television stations: KSBJ (89.3), KTRH (740 AM), KTEL (1110) and television channels NBC (KPRC-TV), CBS (KHOU-TV) or ABC (KTRK-TV).

### **SEXUAL HARASSMENT POLICY**

Clear Lake Christian School is committed to maintaining an environment in which all individuals treat each other with dignity and respect. All forms of intimidation and harassment are unacceptable and the school is prepared to take action to prevent and correct any violations of this policy. A student or parent who has a complaint alleging sexual harassment or offensive, intimidating conduct of a sexual nature may request a conference with a school administrator. All complaints will be promptly investigated. Every effort will be made to protect the privacy of the parties involved with regard to any complaint.

### **STUDENT DRIVERS**

Students are granted on-campus driving privileges only after registering their vehicles with the school office. This procedure will require that the student present a valid Texas driver's license and proof of insurance, in addition to a signed permission slip from a parent or guardian. Students intending to park on school property must register their car and adhere to the following requirements:

1. Only students 16 years of age or older with a valid driver's license may use the parking lot.
2. Students may not go to their cars during the school day without permission from the school office. Students are not permitted to sit in their vehicles before school or during the school day.
3. Students must drive safely and within the speed limit (10-mph) while on campus.

4. Students who drive in an unsafe manner or misuse their driving privileges may have these privileges suspended.
5. International students are not allowed to drive unless they are seniors living with a family member.

**CLCS does not assume any financial responsibility for vehicles or personal items left in vehicles while parked in the school parking lot.**

#### **TELEPHONES/COMMUNICATION DEVICES**

The school telephones are for school business. Students will not be taken out of class to receive a telephone call unless there is an emergency. School personnel will deliver messages to students if necessary. Students may only use the telephone in the school offices. Students must receive permission from the office staff before using the telephone in the school office. CLCS Students may not use cell phones/electronic devices, during school hours. **There is zero tolerance for the use of cell phones/electronic devices usage during school hours. Students must leave cell phones at home, in their backpack, locker or in their car.** Cell phones in lockers must be turned to the off position. Failure to comply will result in disciplinary action. Phones seen in pockets, jackets, etc. will be taken up.

**(from an addendum published to students February 2015)**

**The following disciplinary action will be issued to students who are found using an unauthorized cell phone/electronic device, regardless of who owns the cell phone/electronic device.**

**1<sup>st</sup> Offense-Student will have the cell phone/electronic device taken up and will be assessed a fine of \$15.00. The student's parent will have to pay in person or give verbal permission to administration and pay over the phone, in order for the cell phone/electronic device to be released to the owner.**

**2<sup>nd</sup> Offense- Student will have the cell phone/electronic device taken up and will be assessed a fine of \$30.00. The student's parent will have to pay in person or give verbal permission to administration and pay over the phone, in order for the cell phone/electronic device to be released to the owner.**

**3<sup>rd</sup> Offense-Student will have the cell phone/electronic device taken up and will be assessed a fine of \$45.00. The student's parent will have to pay in person or give verbal permission to administration and pay over the phone, in order for the cell phone/electronic device to be released to the owner.**

**After the 3<sup>rd</sup> Offense-cell phones/electronic devices will be prohibited on campus for this student. If the student brings these items to school, they must be checked in at the front office before school starts each morning and may be picked up by the student at the end of the school day. Further disciplinary action for the 4<sup>th</sup> and subsequent offenses will be at the Principal's discretion.**

#### **TEXTBOOKS**

Each teacher issues textbooks to students. Each student's name, room number and teacher must be entered in ink on the inside front cover of the textbook. To protect textbooks, the school requires that all hardback textbooks be covered. If a textbook is lost, the student must pay for the book and show the teacher the payment receipt before another book can be issued. Students must pay for hardback textbooks that are damaged or defaced. Students who change teachers or withdraw from a class for any reason must return the textbook in person to the teacher who issued the book. Students are not to return a textbook by leaving it in a teacher's mailbox or on a teacher's desk. Consumable textbooks are the student's property. Online textbooks may be assigned upon approval.

## **FINANCES**

### **TUITION**

Installment tuition plans for U.S. students only are to be paid through the FACTS Account management tuition program. FACTS allows for a monthly direct debit from your bank account or a charge to a credit card. Installment plans are 10-month based. Parents paying through FACTS must setup a profile on the FACTS accounting system. Set up instructions can be picked up at the CLCS office. FACTS will assess late fees if tuition is not paid by the specified due dates.

If a family account is past due, official school documents, progress reports, report cards, or transcripts will not be released, and the student will be ineligible for extracurricular activities. All balances must be paid at the end of each semester or the child cannot continue. Official documents will not be released due to outstanding charges for library fines, book damage fees or other school-associated fees or charges. In order for diplomas, transcripts and other official documents to be released, the family account, including all tuition payments must be completely paid.

### **FEES /REFUNDS**

Fees are assessed based upon involvement in optional school activities and fundraisers. Students who participate in sports or other extracurricular activities will pay a fee to help offset the operating expenses of the activities. Refunds of tuition will not be given after the first day of class. International students are not governed by the U.S. student refund policy.

### **OUTSTANDING BALANCES**

If a student has any outstanding balance on his or her record, the student will not be allowed to participate in any CLCS athletic program. In addition, all academic records will be held until the balance is paid off. The Finance office in conjunction with the administration will handle all outstanding balances.

### **FUND RAISERS**

The school will hold fundraisers each year. Individual organizations such as the Chess Club, Booster Club, PTO (Accelerated Reading fund) and cheerleaders will hold their

own fund-raising activities. Each parent will be expected to have their child participate since tuition alone does not sufficiently fund CLCS expenses. All fundraisers must be approved in advance by the school Principal.

### **TUITION ASSISTANCE/SCHOLARSHIPS**

Limited scholarships are awarded as funds become available. Scholarships are based on need and generally cover a percentage of tuition. Fees are not subsidized by scholarship funds. Decisions regarding scholarships are made during the summer and are based upon a first come first served basis.

**Health Insurance-Int'l only-** Health and medical insurance is purchase separately for all international students.

### **Student Accident Insurance**

All CLCS students are covered by a supplemental student accident insurance policy. The nominal premium covers all injuries sustained at school or school-sponsored events including sports. **This is a secondary policy, which covers expenses not covered by the student's primary insurance.** For uninsured students, this insurance becomes the primary policy.

### **WITHDRAWAL PROCEDURE**

The standard withdrawal procedure must be completed through the main office before a student's records can be released. This process is not complete until the necessary forms are signed, outstanding debts are paid and any textbooks, library books or other school property are returned.

(Policy of refunds is included in registration packets)

## **HEALTH SERVICES**

### **COMMUNICABLE DISEASES**

A student who is too ill to function in the classroom or who displays symptoms of a communicable disease will be isolated from the other students. A temperature above 100°, diarrhea and vomiting are common symptoms for which a parent will be asked to pick-up the student. Parents are requested not to bring a student back to school that has had any of these symptoms for 24 hours, during the night or morning before school begins. A student will not be allowed to stay in school if any of these symptoms are present.

A student must have written consent from either a physician or the Texas Department of Health or be subject to school office approval to return to school if any of the following conditions have occurred: chicken pox, measles, mumps, pneumonia, whooping cough, pinworms, scabies, ringworm, impetigo, pink eye or head lice (students must be completely nit free to return to school).

## FIRST AID/MEDICAL EMERGENCY PROCEDURES

At the beginning of each school year, parents must provide a notarized "Medical Release Form" for each enrolled student. The form includes the name and phone number of the doctor to be notified, as well as the name, address and phone number of the parents and another adult to be notified, if the need should arise. It is the responsibility of the parent to make certain the information on file is kept current. In case of bad weather, serious illness or other emergencies, we must be able to contact you or the alternative adult indicated on the Medical Release Form. This information may need to be used before consultation with the family is possible.

In case of minor illness, CLCS is equipped with an area in the office where students may receive care. Students must obtain a Health Station Pass from a teacher before going to the nurse.

In case of an illness or accident requiring medical attention, the family will be contacted to pick up their child. Parents are responsible to provide transportation for their sick children. Students with on-campus driving privileges may drive themselves home if they are able to do so and if the parent gives the school office permission to release the student.

## MEDICATION

If possible, all medication should be administered at home. However, if the student needs to take medication during the school day, the medication will be dispensed according to the following guidelines:

1. **All medications must be kept in the nurse's office.** The nurse will supervise the storing and dispensing of all prescription and non-prescription medicine. Students must bring medication to the office between 8:00 and 8:30 a.m. Students should not carry any medication to classrooms or keep any medication in lockers, backpacks or purses. Students who have medication and fail to bring it to the school office will be subject to disciplinary action.
2. Written permission and specific directions for administration of prescription medicine is required. Directions must include student's name, dates and time to be given, name of medication, strength and dosage of the medication, specific directions for administration and the name of the physician prescribing the medication.
3. ALL medication MUST be in the original container.
4. If non-prescription or prescription medication is to be administered for a period of no longer than 10 days, a written request from a parent or guardian is required.
5. If non-prescription or prescription medication is to be administered longer than ten days, a written request from a physician or dentist is required.

## VISION AND HEARING SCREENINGS

Vision and hearing screenings are conducted on a rotating basis each year. Testing schedules for screening done at CLCS will be made available, as this information is determined. If a student has a challenge in this area and is not scheduled for screening, parents may contact the school office and specifically request a screening for that year. Parents who desire to have their student tested by their own physician must provide proof of screening prior to the school's scheduled screening.

## ENROLLMENT

Clear Lake Christian School's mission includes both the nurturing of the students from Christian homes, as well as the winning of students and families who are without Christ to saving faith. It

is for this reason that there will be no requirement on the part of students or parents to acknowledge a personal relationship with Jesus Christ as a condition for admission. Each family enrolling a student in Clear Lake Christian School will be given a clear presentation of the Gospel message during the course of the enrollment process so that they understand the centrality of this message to the educational program of Clear Lake Christian School.

It is desired that the values and beliefs taught to our students during the school day be reinforced at home. Prior to enrollment at CLCS, the Principal will assess the parent's motivation in seeking the student's enrollment in our school, as well as the student's willingness to attend and adhere to the school's policies and procedures. If the atmosphere of a particular home is in opposition to the biblical lifestyle the school teaches, the school reserves the right, within its sole discretion, to refuse admission of an applicant or to discontinue enrollment of a student.

## CLCS ENROLLMENT

Priority enrollment is the initial phase of enrollment for the upcoming school year, which offers a substantial discount in the enrollment fee and first consideration in class enrollment. The priority enrollment period is reserved for current CLCS students, members of Grace Community Church, pre-school students from Kidz World and siblings of CLCS students to register for the coming year. During this time, the required enrollment documents must be completed and processed in the school office along with the registration fee. Enrollment will be opened to the general public after the priority enrollment period ends.

## KINDERGARTEN ADMISSION REQUIREMENT

All students applying for admission to kindergarten must be five (5) years of age on or before Sept. 1 of the year in which they are to be enrolled. Students enrolling in first grade must be six (6) years of age on or before Sept. 1. A certified birth certificate verifying the child's birth date must be presented at the time of registration. **CLCS will admit children whose birthdays fall after September only after the child has been**

**tested and approved by the teacher and administration. All students are tested. Any exceptions are handled case by case.**

### **Immunization Policy**

Texas Law mandates immunization of elementary and high school students against certain communicable diseases. The law requires that students be immunized or vaccinated before the 1<sup>st</sup> day of school. The law further requires that students be tested for tuberculosis if they attended school or lived in a "high-risk" country in the preceding school year. The school office will provide information on age-appropriate doses required by the Texas Department of Health. Personal records validated by a licensed physician or public health care clinic may be used as proof of immunization. The nurse will keep an individual immunization record during the period of attendance for each student admitted and the record will be open for inspection at all reasonable times by local health officials. The immunization program must be complete and on file in the school office no later than the first day that school is in session or the child will be excluded from school until the program is completed. Exemptions are notarized and must be submitted to the Nurse.

**International Students- Students must provide translated Immunization records by the first day of school.**

## **ATTENDANCE POLICY**

### **ATTENDANCE PHILOSOPHY**

School attendance is one of the factors most closely related to successful academic accomplishment in school. Students who are absent miss valuable instruction. Parents should strive to have their children in school every day. Perfect attendance should be the norm for CLCS students rather than the exception.

### **ATTENDANCE REQUIREMENTS**

In compliance with the Texas Compulsory School Attendance Law, Clear Lake Christian School requires students in kindergarten through 12<sup>th</sup> grade to be in attendance for 90 percent of the entire period of program of instruction in order to be promoted to the next grade and/or to receive credit for academic course work. Time spent during chapel, class parties, field trips or other types of special events is counted toward school attendance. Students should remain in attendance until school is dismissed for that day. The RENWEB system is used for attendance at CLCS.

### **ABSENCES AND TARDIES**

#### **Excused Absences**

Absences will be excused in the following instances:

- Personal illness: Any student absent more than five (5) consecutive days may be required to bring medical documentation stating the date and time of appointments and/or the nature of the illness.
- Death in the family
- Medical or dental appointments

- Absences for “Special Days”

### **Unexcused Absences**

Absences for reasons other than those listed in excused absences will be designated as unexcused, even in the event that the student has parental permission to be absent from school.

### **Absences for “Special Days”**

It is recognized that family events may not be able to be scheduled during regular school vacations or holidays. “Special days” are established to accommodate such unusual situations.

When students are absent, teachers must allot extra time for tutoring or re-teaching the subject material, assume the additional duties of extended grading and schedule make-up time for quizzes and tests. Absences due to unavoidable circumstances or illnesses are considered routine occurrences. It is with concern that the CLCS administration strongly appeals to parents to consider the added workload for their children’s teachers and the school’s staff when making decisions about “special days” absences.

Excused absences may be granted for “Special Days” under following conditions.

1. The reason for the absence must be stated in writing and submitted by the parent to the school office.
2. Assignments made prior to the absence must be turned in before the scheduled absence. All missed work, quizzes and tests should be made up in advance, if possible or upon the first day of return. Parents are responsible for providing any instruction that is missed and for ensuring that all make-up work is turned in on time. Work not submitted on time will be graded as a late assignment.
3. A student will not be granted an excused absence for “special days” during semester exams and achievement testing.
4. **A total of 5 days of “special day” absences will be granted for the school year. “Special Day” absences count toward the limit of maximum allowable absences.**

### **Excessive Absences**

A student who is absent more than the 10% limit of allowable absences in a semester (for grades 9-12) or year (for grades K-8) will lose credit for that semester or year. Students may apply for credit restoration if they have excessive absences. ***Each case presented to the Credit Restoration Committee will be decided based on merit.***

### **TARDIES**

Students are tardy to school if they are not in their designated classroom by 8:15 a.m., unless they are conducting business in one of the school offices. Students arriving late must stop at the main office for a tardy slip before entering the

classroom. All school tardies are fined \$10.00 for each five unexcused tardies, including tardy to class.

Students arriving after 10:15 a.m. will be recorded as having a half-day absence for that day. Students leaving the CLCS campus prior to 1:30 p.m. will be recorded as having a half-day absence.

**All tardies are unexcused except for Dr. Appointments; unpreventable issues i.e. accidents, traffic, etc. Only the Principal can authorize tardies due to weather or extenuating circumstances.**

### RETURN PROCEDURES

When returning from an absence, all students must submit a note from their parent or guardian. Kindergarten students returning after an absence or tardy must be accompanied to the main school office and then to their classroom.

A note for an excused absence must be submitted to the appropriate school office with the following information:

- Current date and Date of Absence
- **Student's name, reason for absence, and Signature of parent or guardian**
- Verification from health care professional if absence exceeds five (5) consecutive days
- Signature of Parent or Guardian

### EARLY RELEASE FROM CLASSES-PERMISSION TO LEAVE CAMPUS

It is best to arrange medical and dental appointments after school or on school vacation days. If it is unavoidable to miss part of a school day for this reason, a partial day's absence will be given depending on the amount of time missed. Parents are encouraged to allow students to remain in class for the complete day. Final Assignments and directives given at the end of the day can be critical reminders affecting the success of each student.

When leaving during the school day and returning the same day, students must submit a signed note from a parent or guardian verifying the need and time necessary for the early dismissal. The student must submit the note to the school office and obtain an Early Dismissal Form. The dismissal form should be shown to the classroom teacher at the time of dismissal. The student then must sign out at the main office and turn in the dismissal form. If returning from an appointment before the end of the school day, the student also must sign in at the main office and receive an admittance slip. **In all cases of health care appointments scheduled during the school day, a note from the health care provider must be submitted upon the student's return to school in order for the absence to be recorded as excused.**

Students are not to leave campus for any reason without written or verbal permission from a parent or guardian. **Students who leave campus without properly signing out will have an unexcused absence. CLCS is a closed campus. No student will**

**be allowed to leave for any reason without written/verbal or phone confirmation from a parent or legal guardian. No student will be allowed to leave campus unless accompanied by a legal guardian, parent or approved adult. Only students 18 years old may sign out with parental permission and leave unaccompanied by an adult. Special consideration will be given for students under 18 who have parental permission regarding: health appointments, Dual credit classes, Funerals, Emergencies and Early release Days.**

## **DISCIPLINARY POLICY/PHILOSOPHY**

The philosophies and programs of Clear Lake Christian School are built upon the principles of God's Word and we strive to provide an environment that is conducive to the spiritual growth and development of all our students. One of the prerequisites for success in life is self-discipline. Christian discipline is learned by submitting to the authority of the home, church and school.

As a Christian ministry, the goal of CLCS is to maintain order and decency in all things. In addition to obeying Scriptural principles and pleasing the Lord, rules of conduct are necessary for the safe orderly operation of our school. Accountability is a part of growing up and a part of Christian living. CLCS students should be noted for their good manners, good citizenship and responsible lifestyles.

## **EXPECTATIONS FOR BEHAVIOR**

1. Students at Clear Lake Christian School are expected to seek to live a holy and pure life at all times. They should refrain from activities that defile the spirit. Galatians 5:16-23 states, "So I say, live by the Spirit and you will not gratify the desires of the sinful nature. For the sinful nature desires what is contrary to the Spirit and the Spirit what is contrary to the sinful nature. They are in conflict with each other, so that you do not do what you want. But if you are led by the Spirit, you are not under the law. The acts of the sinful nature are obvious: sexual immorality, impurity and debauchery; idolatry and witchcraft; hatred, discord, jealousy, fits of rage, selfish ambition, dissension, factions and envy; drunkenness orgies and the like. I warn you, as I did before, that those who live like this will not inherit the kingdom of God. But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. Against such things there is no law."
2. Students should demonstrate a teachable, submissive spirit towards adults in authority over them. Students are expected to behave courteously and respectfully toward ALL members of the church, day care and CLCS faculty and staff. Hebrews 13:17 states, "Obey your leaders and submit to their authority. They keep watch over you as men who must give an account. Obey them so that their work will be a joy, not a burden, for that would be of no advantage to you."
3. Students will not lie, cheat or steal nor tolerate this behavior in others. Students are not only expected to obey this policy, but also to promote and encourage their fellow students to follow it. Psalms 15:1-3 teaches us, "Lord, who may dwell in your sanctuary? Who may live on your holy hill? He whose walk is blameless and who does what is righteous, who speaks the truth from his heart and has no slander on his tongue, who does his neighbor no wrong and casts no slur on his fellowman."

4. Students will acknowledge the need to use language or words that uplift and encourage the peers and adults in their life. Psalms 19:14 declares, "May the words of my mouth and the meditation of my heart be pleasing in your sight, O Lord, my Rock and my Redeemer."

CLCS rules are neither unreasonable nor burdensome. As a condition of enrollment, parents and students agree to uphold and support the school and its rules at all times. Students who are consistently negative toward the standards, rules, faculty or administration of the school will be considered out of harmony with the school. These students will be counseled in Christian love and appropriate action will be taken by the administration. **The school reserves the right to dismiss or refuse to admit any student whose personal conduct and/or attitude, in the judgment of the administration, is inconsistent with the Christian spirit and standards, which the school seeks to maintain.**

#### **DISCIPLINARY ACTION - ELEMENTARY GRADES**

In order to effectively live in the classroom "society," certain rules must exist. Standards for classroom behavior will be established by each teacher or by the team-teachers of each grade level. These guidelines will be communicated clearly to the students as well as their parents.

Conduct marks and time-outs during recess will be used to encourage students to follow classroom rules and school policy. Conduct marks, which affect the overall conduct grade, are given on a day-to-day basis and do not carry over to the following day. Parents will be informed on a weekly basis of their child's conduct. Additionally, conduct grades will appear on the Progress Report and Report Card. Extreme discipline problems are handled by the Assistant Elementary Principal. Standards established through the Code of Conduct in conjunction with parental assistance will be used to achieve desired compliance.

#### **DISCIPLINARY ACTION - SECONDARY GRADES**

**Detentions** will be assigned for misconduct. A notice will be sent to parents each time a detention is assigned. This notice must be signed and returned to the school office within two (2) days. Detention is to be served on Tuesday or Thursday for one hour in an assigned room. **After three detentions within a semester a \$5.00 fee will be charged.** This will offset the teacher's salary who will be watching students. **After six detentions within a semester, the student will be assigned one day in-school suspension.** Students on suspension will receive no grade for that day.

**Expulsion** may result from severe misconduct such as:

- propagation of pornographic literature
- sexual harassment or acts of immoral behavior
- possession or use of alcoholic beverages, tobacco or illegal drugs on campus or at school-related events. None of these items are to be in vehicles brought to school (Medication taken during school hours must be kept in the nurse's office.).

- carrying or possessing weapons of any kind on campus
- verbal or physical threats or assaults toward a member of the faculty, staff or student body
- any behavior that is considered to be criminal activity

Students who receive a “U” (unsatisfactory) or an “N” (needs improvement) grade on a report card will not be eligible for either the A or A-B honor roll even if the student meets the academic requirements.

**1st Offense** – Student will have the cell phone/electronic device taken up and will be assessed a fine of \$15.00. The student’s parent will have to pay in person or give verbal permission to administration and pay over the phone, in order for the cell phone/electronic device to be released to the owner.

**2nd Offense** – Student will have the cell phone/electronic device taken up and will be assessed a fine of \$30.00. The student’s parent will have to pay in person or give verbal permission to administration and pay over the phone, in order for the cell phone/electronic device to be released to the owner.

**3rd Offense** – Student will have the cell phone/electronic device taken up and will be assessed a fine of \$45.00. The student’s parent will have to pay in person or give verbal permission to administration and pay over the phone, in order for the cell phone/electronic device to be released to the owner.

**After the 3rd offense**, cell phones/electronic devices will be prohibited on campus for this student. If the student brings these items to school, they must be checked in at the front office before school starts each morning and may be picked up by the student at the end of the school day. Further disciplinary action for the 4th and subsequent offenses will be at the Principal’s discretion.

## Matthew 18 Principle

The Matthew 18 Principle states the following:

***If your brother sins against you, go and show him his fault, just between the two of you. If he listens to you, you have won your brother over. But if he will not listen, take one or two others along, so that every matter may be established by the testimony of two or three witnesses.***

***Matthew 18:15-16***

Issues between parents and teachers will arise from time to time. As a Christian School, we believe that issues and concerns should be resolved biblically. We recognize that Matthew 18 requires open and fair discussion of potentially difficult matters. We believe that the Matthew 18 principle is essential for maintaining good relationships. Therefore, we respectfully request that parents meet with the teacher first in order to clearly communicate the issue in question. The manner and tone of such meetings must be carried out in a Christ-like way-truth tempered with kindness.

If those individuals directly involved are unable to resolve the problems, administrative assistance from the principal should be requested. Administrative conferences will be scheduled with the Administrative Assistant in the Principal's Office. Please read the following steps that we have outlined for CLCS procedures for Parent/Administrator Conferences and be prepared to follow these guidelines.

### **CLCS Procedures for Parent/Administrator Conference**

1. Fill out the appropriate form documenting the concern (may be turned in beforehand or presented at the time of conference). Please refer to the appendix in the back of the handbook for the form to be used or you may email the Principal with your concern using the form as a guide.
2. Make an appointment through the Administrative Assistant to see the Principal.
3. Be aware that conference time will be opened in prayer and limited to a 30-minute session.
4. Be aware that the conference time will be conducted in a biblical, gracious manner (See Colossians 4:6). The results will be documented in a memo. The memo will be distributed to the parents and the teacher/administrator involved
5. Administrator will agree to respond to the concern within 3 working days.

The Board has delegated to the Administration the authority to operate the school on a day to day basis. The Board does not involve itself in resolving conflicts, and we respectfully ask parents **not** to call Board members into school related issues. By practicing problem resolution in this manner, relationships develop between teacher, students and parents and future problems are minimized and are more easily remedied.
